

COUNSELOR INFORMATION

Ware Bear Families:

My name is Ashley Malmquist, and I am the new K-5 School Counselor at Ware Elementary! I am very excited to be joining this community and school. Whether you are new to our school (like me!) or a returning member of the Ware bear club, I am so glad you are here. Please do not hesitate to reach out if you need anything.

At Ware Elementary School, I work with staff to deliver a comprehensive school counseling program that follows the American School Counselor Association (ASCA) framework. The counseling program focuses on the academic, social/emotional, and career needs of all K-5 students. You can learn more about our school counseling program by visiting the Ware school counseling website (COMING SOON!). I am looking forward to working with you and your family to make this a positive year!

Sending Kindness Your Way,

Ms. Ashley Malmquist

As your student's school counselor, I look forward to working together to help your student succeed.

CONTACT me:
